Spring 2020
All-Majors Career Fair

February 5 & 6 | 9:30 AM – 4:00 PM
at McCamish Pavilion

Day 1 Program
Wednesday, February 5, 2020
What's available at the Spring Career Fair, Feb 5 & 6?

**Resource Area:** You will find a reserved area where staff will be on hand to help with all questions related to the fair and CareerBuzz.

**Head Shots:** You are dressed for the occasion, so why not take advantage of it? Create a headshot for your LinkedIn page by visiting the student Resource Area at the fair.

*Sponsored by* [PROLOGIS](https://www.prologis.com)

**Campus Closet:** Dress to impress! The dress code for the career fair is business professional. Don't have a suit for the career fair? Rent one from us at no cost. Hours & Location at [campuscloset.gatech.edu](http://campuscloset.gatech.edu)

**Name Badges:** You will no longer receive printed name badges because we are going green. You may bring your own, but don't worry otherwise. A great resume and pitch to an employer will mean you're memorable.

**Backpacks:** NO backpacks will be permitted inside or outside the McCamish Pavilion.

Directory Search Instructions

Adobe Acrobat and Adobe Acrobat Reader (on your PC)

With the advanced search, you can search all PDF files in a directory and its sub-directories in a single go. By default, if you open Adobe Reader and press CTRL + F, you'll get the normal search box. It is located at the top right.

To use the advanced PDF search option, you can choose Open Full Acrobat Search from the Edit drop down menu or press SHIFT + CTRL + F.

Go ahead and enter the phrase you are searching for in the search box. Next choose the All PDF Documents In option under Where would you like to search heading.
These include **Whole words only, Case-Sensitive, Include Bookmarks, and Include Comments**.

Click **Search** and all pages in the document will be scanned for your term. Just click on the hyperlink in the results to open the file!

**Adobe Acrobat Reader (from your mobile device)**

It is HIGHLY recommended that you download the Adobe Acrobat Reader app to your mobile device when performing searches of employer directory information. It does not have the advanced search features available like the PC version above, but it does provide an easy to use solution for quickly finding what you want. You can download the mobile versions from the buttons below.
Search Parameters

These are the common search words that you can use to refine your employer searches.

**NOTE:** To ensure ACCURATE search results, type the search words exactly how they appear below.

Work Authorization Desired

US Citizen, Permanent Resident (U.S.), Student (F-1) Visa, Employment (H-1) Visa, J-1 Visa, EAD – Employment Authorization

Degree Level Required

Bachelors, Masters, Doctorate, Post-Doc, Special, Non-Degree

Position Types

Professional Full Time Position, Internship Position, Co-op Position, Masters, PhD, & MBA Internship/Co-op Position, Global Internship Position, Undergraduate Research Position, Professional Part Time Position Only, Non-Professional Part-Time/Seasonal Only
Barry-Wehmiller Design Group, Inc.

Industry: Engineering, Manufacturing

Majors Recruited: Biomedical Engineering - BS & Ph.D. Level, Chemical & Biomolecular Engineering - BS Level, Chemical Engineering - MS & Ph.D. Level, Computer Engineering - BS Level, Electrical & Computer Engineering - MS & Ph.D. Level, Electrical Engineering - BS Level, Mechanical Engineering - All Levels

Work Authorization Desired: US Citizen, Permanent Resident (U.S.)

Degree Level Required: Bachelors

Position Types: Professional Full Time Position, Internship Position, Co-op Position

Website: https://www.bwdesigngroup.com/

Overview: Design Group operates from more than 45 offices in the United States and India, providing engineering, consulting and technical services for the world's leading companies in the food and beverage, life sciences, advanced technology, industrial and other market sectors. Our 1,500-plus technical and engineering experts have direct industry experience in industrial automation, control system integration, facility and process engineering, architecture, construction management, regulatory compliance, enterprise technology and other consulting services.

Booth: 1
BMarko Structures, LLC

Industry: Manufacturing

Majors Recruited: College of Engineering

Work Authorization Desired: US Citizen, Permanent Resident (U.S.), EAD - Employment Authorization, Student (F-1) Visa, Employment (H-1) Visa, J-1 Visa, A

Degree Level Required: Bachelors, Masters

Position Types: Professional Full Time Position

Website: https://bmarkostructures.com/

Overview: We are a modular construction company

Booth: 2
BRPH

Industry: Architecture and Construction, Engineering

Majors Recruited: Civil Engineering - All Levels, Electrical Engineering - BS Level

Work Authorization Desired: US Citizen

Degree Level Required: Bachelors

Position Types: Professional Full Time Position, Internship Position

Website: http://brph.com

Overview: BRPH does more than just design buildings or facilities. We solve engineering and architectural challenges.

INNOVATION MEETS INSPIRATION.

BRPH is recognized as a leader in planning, design, engineering, and construction for a wide range of markets, including aviation, aerospace, federal government, commercial/industrial and educational.

With hundreds of years of collective experience and thousands of projects to our credit, we have become recognized for our ability to design highly specialized one-of-a-kind facilities and formulate new and innovative design solutions to meet the needs of our clients. From defining the project to delivering on the project vision, our Launch Sequence ensures a streamlined and well-documented process.

Booth: 3
Burns & McDonnell
