*Employer list subject to change

Employer Name	Host Job Title	Industry	Career Exposures Opportunities	# Of students to host
Andritz	Senior Project Engineer	Engineering	Automation (PLC's), Industrial Power in the Pulp and Paper & Lime / Mining industries	2
ASD SKY	Principal/ VP	Creative/ Design Industry	Architecture, interior design, graphic design	3
Axis Datalytics	IT Director	HealthCare IT	Application Development, Data Analyst	2
Axis infrastructure	Chief Electrical Engineer	Engineering	Architectural/Engineering firm	5
BD	Associate Clinical Scientist	Medical Devices	Medical writing, Cross-functional groups (Regulatory Affairs, R&D, Quality, etc.)	1
Capgemini Invent	Campus Recruiter	Business Industry	Students will be exposed to management consulting careers in various industries	3
Clayton Fixture	Co-owner	Business Industry	Both CAD and CAM Software, Value Engineering, Value Stream Mapping Manufacturing process	2
CliftonLarsonAllen (CLA)	Campus Recruiter	Business Industry	accounting, data science, cybersecurity	5
Control Southern Inc	Application Engineer	Engineering	Application Engineering, Process Engineering	3
Control Southern, Inc.	Life Sciences Engineering Manager	Engineering	Controls/Automation Engineering; Software Engineering; Project Management; Sales	2
Emory University	Lead Research Specialist & Lab Manager	Research	Research, Graduate school, Institutional Compliance (Environmental Health and Safety, Animal Care)	4
Florence Healthcare	Manager of Talent Acquisition	Healthcare software	Business Administration, Project Management, customer facing roles. (1 student) software product management, general business management. (1 student) implementation, customer support, and account management (3 students)	6

Georgia Department of Transportation	Civil Engineering	Engineering	Full time employment and internships.	5
Georgia Institute of Technology	Graduate Teaching Assistant	Engineering	Academia	3
Georgia Tech	Human Resources Business Partner	Nonprofit, Education, & Advocacy Industry	Human Resources	1
Georgia Tech Research Institute	Senior Research Scientist	Research	Research science: experimental physics and cybersecurity	2
Georgia Tech Research Institute	Principal Researcher/Senior Technologist for Digital Innovation	Research	Applied Research; STEM	1
Georgia Transmission Corporation	Human Resources Business Partner	Engineering	Engineer- various areas: Bulk System Planning, System Protection and Control, Relay and Control, Design Services, etc	5
GTRI	Senior Research Scientist	Research	research scientist, branch manager, program manager, project director, quantum physicist	3
GTRI, Quantum Systems Division	Senior Research Scientist	Research	Research oriented careers, obtaining and leading projects, academic	3
Heliox Technology	Lead Systems Engineer	Engineering	Engineering, Design, R&D, Test	3
Heliox Technology	Human Resources Manager	Engineering	Engineering (R&D, Field, Product, Customer), Supply Chain, Operations, Sales	5
Jacobs Engineering Group	Project Engineer/Office Engineer	Engineering	Construction Engineering, and Inspection (CEI), project management, roadway construction, transportation consulting	3
Kimley-Horn **must be completed in Orlando, FL	Landscape Architect	Landscape Architecture	Civil Engineering, Landscape Architecture, Land Planning, Transportation Engineering	5
Kimley-Horn	Planning Analyst	Engineering	transportation planning, land use, sustainability, urban design, policy analysis	3
KPMG	Consulting	Consulting	IT Consulting, Business Consulting	5

Mansfield Energy	Manager, Recruiting	Energy/Oil and Gas	Accounting, Supply Chain/Logistics, IT and Operations	1
Mercer	Career Consulting Analyst	Business Industry	HR consulting, benefits consulting	2
MetroPower Electrical Contractors	Workforce Development Manager	Electrical Construction	Electrical Construction Project Management, Automation & Controls,	2
Microsoft	Data Scientist	IT	Data Scientist, Data Analyst, Applied Scientist	2
Microsoft	Principal Engineering Manager	IT	Software development, Site Reliability engineering	5
Microsoft	Senior Finance Manager	IT	Finance management, product/program management (business or technology), project management	1
Microsoft	Business Program Manager	Business Industry	Program Management, Public Speaking, Mixed Reality, Digital Transformation	2
Microsoft	Finance Manager	Business Industry	Finance/Accounting	3
Microsoft	Senior Software Engineer	IT	software engineering	1
Microsoft	Technical Sales Specialist	IT	Sales, Consulting, Technical Specialist, MS Power Platform solutions	3
Microsoft	Designer	Creative/Design Industry	UX Design, UX Research	2
Microsoft	Software Engineer	Engineering	Software Engineer/Developer	1
Microsoft	Senior Software Engineer	Engineering	Software Engineering	3
Microsoft	Business Program Manager	Engineering	Engineering, Planning, Operations, Business Management	2
Microsoft	Product Manager II	IT	Product Management	2
Microsoft	Senior Cloud Solution Architect	IT	Software Engineer, Customer Success, Consulting	1
Microsoft	Software Engineer	Engineering	Day to day as a programmer	2
Microsoft	Site Reliability Engineer	IT	IT Operations, Software Development/Engineering, Program Management	1
Microsoft	Program Manager	IT	Product Management	1
Microsoft	Software Engineer	IT	Compute science	3
Microsoft	Senior Software Engineer	Engineering	Software Engineer	3
Microsoft	Principal product manager	Business Industry	Product and program management	3

Microsoft	Senior Recruiter	Business Industry	Human Resources, Marketing, Engineering, Program/Product Management	1
Microsoft	Cloud Network Engineer	Engineering	Research, Engineering, Network Engineering, Optical Science	2
Microsoft	Senior Design Researcher	Creative/ Design Industry	UX Design and Research	3
Microsoft	Software Engineer	Engineering	Software Engineering	1
Microsoft	Principal Software Architect	Big Tech / Software Engineering	Software Engineering, Engineering Management, Entrepreneurship	2
Microsoft	Software Engineer	Engineering	Software Engineer	2
Microsoft	Recruiter	HR	HR	2
Microsoft	Product Manager	IT	product or program management	2
Microsoft	Operations - Launch Program Manager - Search, Advertising, News portfolio	Program Management	Business Operations and Program/Project Management	2
Microsoft	Software Engineer II	IT	Software Engineering	1
Microsoft	Industry Go-To-Market Manager (aka Sales Strategy/Enablement)	Business Industry	Technology, Sales, Customer facing roles, Strategy, Program/Project Management	3
Microsoft	Software Engineer	Engineering	Software Engineering	2
NCR	Project Leader	Business Industry	Marketing, Sales, Project Management, Business Operations	3
NOVA Engineering & Environmental	Geotechnical Department Manager - Norcross Office	Engineering	Geotechnical Engineering, Pavement Evaluations, Construction Materials Testing	4
Paulson-Cheek Mechanical	CEO	Engineering	Construction Engineering	2
Pieper O'Brien Herr Architects	Architectural Designer	Creative/ Design Industry	Architecture, graphic design, interior design, and business development.	3
Robert Clark	Senior Research Scientist	Research	Research, Science, Academia	3
Search Discovery	Talent Acquisition ; Early Career Recruiting	Business Industry	Human Resources, Recruiting	5
Slalom	Senior Manager Talent Acquisition	Consulting	software engineering, cloud engineering, data engineering	5
Solomon Cordwell Buenz	Technical Director	Architecture	Architecture - Designer, Manager, Architect, Specification Writing	2

**must be completed in San Francisco, CA				
Southwire Company	Director, Capital Projects	Manufacturing	Manufacturing roles	1
TransDevelopment Group	Development & Administration Manager	Consulting & Project Management & Construction	Project Management, Construction Management, Consulting	2
Universal Alloy Corporation	Director of Metallurgy and R&D	Engineering	Metallurgy in the Aerospace Field	2
Universal Alloy Corporation	Plant Manager	Manufacturing	Plant Management, Process Engineering, Manufacturing Floor Leadership, Equipment Operations	1
Vanderlande	Engineering Manager, WS EM/PLC R&D	Engineering	Electrical and mechanical engineers	2
Warner Bros. Discovery	Senior Director of People Growth + Enterprise Skills Strategy	Business Industry	Various roles in business and tech	3
Wealthy Habits	Program Director	Nonprofit, Education, & Advocacy Industry	Organizational Development; Program Management; Nonprofits; Finance & Business	2
Wheeler Services, Inc.	COO/CFO	Engineering	Construction Estimating, Construction Project Management	2
Wood Partners	Development Associate	Real Estate	Development Analyst	3
